

Strategic Growth Calls

Small Business Digital Accelerator Call-Base Service

Are you a solopreneur or small business owner looking to navigate the complex world of digital transformation? Look no further than Orchestrating Productivity, your trusted partner in streamlining operations, boosting productivity and elevating your digital presence.

Why Choose Us?

With 15 years of hands-on experience in digital project management, we understand the unique challenges faced by small businesses in today's fast-paced digital landscape. Our expertise lies in:

- Digital Strategy Development to adopt to the digital age
- Branding and Social Media
- Productivity Optimization
- People and Performance Management
- Resource Allocation Management

Our Tiered Consulting Services

We offer flexible, results-driven consulting packages to suit your specific needs:

1. Basic Plan (One-off Call)

- \$100 per hour
- Perfect for addressing immediate concerns or getting expert advice on a specific issue

2. Standard Plan (4 Calls/Month)

- \$350/month (12.5% savings)
- Ideal for ongoing support and strategy development

3. Premium Plan (8 Calls/Month) + priority scheduling

- \$650/month (19% savings)
- Comprehensive support with priority scheduling for businesses serious about digital growth

4. Custom Retainer Plan + priority scheduling

- Starting at \$1,000/month (25% savings)
- Tailored for businesses needing more frequent or specialized support. Includes up to 12 hours of consultation and additional perks like email follow-ups or document reviews.

Don't let digital challenges hold your business back. Partner with Orchestrating Productivity today and take the first step towards a more efficient, technology-driven future.
